“
EDUCATION
IS THE PASSPORT TO THE
FUTURE
”

Dear Parents/Guardians,

We believe that in professional as well as personal life we have to learn how to educate, develop and evolve ourselves in a better way. We have to learn how to be responsible towards the society and we must strive hard to promote it towards growth.

I believe that

**विद्या ददाति विनयं विनयाद्याति पात्रताम्।
पात्रत्वाद्धनमाप्नोति धनाद्धर्मं ततः सुखम्॥**

At C. B. Gupta Saraswati Vidyapeeth we not only promote the evolution of individual but also the growth of society as a whole. Education alone is not sufficient to achieve this goal therefore the points we train our students in regions of respect for the society, high morals, personality development, creativity etc. which are very important in long run.

There is much stress on the development of mind of the students, Moral & Spiritual values are inculcated among them regularly and stress on I.T. as per demand of time.

We realize that right environment is equally important in making a student learn and grow therefore, C. B. Gupta Saraswati Vidyapeeth aims at creating that right environment for students by giving them the proper facilities they need to grow.

With regards,
Dr. Rajeev Kumar Varshney
